

One-on-One Technology Help 30-Minute Sessions

Limit 2 sessions per month

Do you have questions about:

- Microsoft Word?
- Creating and uploading a resume?
- Doing research on the Internet?
- Setting up email?
- Setting up a personal Facebook or Twitter account?
- Resizing, printing, or sharing pictures?
- Downloading library e-books?

We can help!

Do you have a **technology question** or would you like to learn a **new skill**? Book a 30-minute technology tutorial with a reference librarian and get hands-on computer help.

If you need help with a Kindle, iPad, or other tablet or e-reader, bring your own device. For everything else, we have library computers you can use.

Book your session by visiting or calling the **Reference Desk** at 401-789-1555 ext. 108, or send an email to us at skiref@skpl.org. Please put "Tech Help" in the subject line of the email and let us know what project or skill you need help with.

Note: Each session should focus on one area (email, social media, Word, etc.) Each session is for one person (two if you share a computer). You must have your necessary passwords needed to access your account or devices. We cannot fix your computer, remember passwords, or help with hardware issues.

PEACE DALE LIBRARY 1057 KINGSTOWN RD., PEACE DALE, RI
